ANNUAL REPORT OF PUBLIC SERVICE COMMISSION

WEST BENGAL

For the year 2017 - 2018

(1st April 2017 to 31st March 2018)

PART-I

BRIEF HISTORY

(1) The evolution of the Public Service Commission in India can be traced back to the persistent demands raised by the educated Indians for admission into the Indian Civil Service. The Montagu-Chelmsford report incorporated a provision regarding this demand of the Indian Youth and ultimately the Govt. of India Act, 1919 saved the path for the formation of the Public Service Commissions. Section 96C of the Govt. of India Act, 1919 provided for the establishment of a Public Service Commission in India to regulate the recruitment and control the public services in India and perform such functions as may be assigned thereto by Rules made by the Secretary of State in Council.

(2) The passing of the Govt. of India Act, 1919 was followed by a protracted correspondence stretching over four years between the Secretary of State, the Govt. of India and local Governments regarding the framework of the body to be constituted. Subsequently, the Lee Commission in its report dated 27th March, 1924, recommended the establishment of the Public Service Commission as suggested by the Government of India Act, 1919 without any further delay.

(3) Pursuant to the provisions of the Section 96(C) of the Govt. of India Act, 1919 and the recommendation of the Lee Commission, Central Public Service Commission was set up for the first time in India in October, 1926. It was formed in accordance with the traditions of the British Civil Service Commission. The functions of the Public Service Commission were regulated by the Public Service Commission (Functions) Rules, 1926 framed under Sub-Section (2) of Section 96(C) of the Government of India Act, 1919. These rules provided for consultation with the Commission in respect of recruitment to All India Services, Central Services Class I and Class II, on questions of drawing up of syllabi for examinations and of qualifications for recruitment by selection, on promotion to these services, on disciplinary cases, on questions connected with pay and allowances, pension, provident funds, leave rules and conditions of service.

(4) The next significant development in the history of Public Service Commission in India was the issuance of a White Paper in December, 1931 delineating proposals for Indian Constitutional Reforms. The White Paper also contained a blue print of the Public Service Commissions for the proposed Federation and the provinces. The report of the Joint Committee on Indian Constitutional Reforms (1934) further reiterated the need for setting up a federal PSC and a PSC for each province. The Govt. of India Act, 1935 envisaged a Public Service Commission for the federation and a Provincial Public Service Commission for each Province or Group of Provinces.

(5) In terms of the provisions of this Act and its coming into effect on 1st April, 1937, a Public Service Commission was formed in each province except in cases of certain provinces which formed the Joint Public Service Commissions. This is the background for the emergence of Bengal Public Service Commission in 1937 and its continuance as the PSC, West Bengal.

(6) The Constituent Assembly realized the importance of giving a secure and autonomous status to the Public Service Commissions both at Federal and Provincial levels for ensuring recruitment to Civil Services without any prejudice and protection of service interests. With the promulgation of the new Constitution for independent India on 26th January, 1950, Public Service Commissions in the States were accorded a Constitutional Status in terms of Article 315.

7) After its formation, the PSC, W.B. started functioning from Bhabani Bhavan, Alipore. Subsequently, Examination Section of the office shifted to Town Hall, Kolkata while rest of the office operated from Bhabani Bhavan. After several years, the Town Hall was vacated and the Examination Section was accommodated in a building adjacent to Bhabani Bhavan. At that time, 2 floors of a building near Sealdah were used as examination venue. In the year 1989, the entire office of the PSC, W.B. was shifted to a newly constructed building at 161A, S.P. Mukherjee Road, Mudiali, near Tollygunge Rly. Bridge. All the sections of the P.S.C., W.B. as well as exam. venues are at present located in this building.

The Annual Report for the year ending on 31st March, 2018 has since been compiled. The core functions and the activities of the various sections of the Commission's Secretariat have been highlighted in the Annual Report. Data in respect of the examinations/selection procedures conducted, candidates recommended for employment, important information linked to the duties performed by the Commission have been incorporated to give an idea about the workload of the Commission during the period from 1st April, 2017 to 31st March, 2018.

The initiatives undertaken by the Commission to utilize the information and technology resources in its operations have started yielding results. The reduction in time interval between the publication of an advertisement and the declaration of results was achieved in case of major recruitment examinations/selection cases due to adoption of certain innovative measures and speedy implementation of e-governance in the last three years. The aim of the Commission is to develop the existing on-line set up and ultimately to conduct majority of the examinations on-line in order to limit the time gap in respect of publication of results to the bare minimum.

The Public Service Commission, West Bengal, endeavours to instill the highest level of efficiency in the discharge of its duties and responsibilities. The Commission would like to introduce more reforms and adopt new strategies in the coming years in keeping with the demands of the future generation.

The Constitution of India has enjoined consultation with the Public Service Commission on matters of appointment and certain other matters as specified in Article 320 in respect of the Civil Services and posts. The Public Service Commission has to perform the duties relating to matters specified in that Article. These include conducting examinations for appointment to Civil Services and posts under the State Government and advising the State Government on all matters relating to methods of recruitment to Civil Services and posts, on the principles to be followed in making appointments to Civil Services and posts and in making promotions and transfers from one service to another, on the suitability of candidates for such appointments, promotions or transfers and on all disciplinary matters affecting a person serving under the State Government in a civil capacity and on certain other matters.

In disciplinary matters, during the period under report, the Govt. forwarded 77 cases (19 fresh and 58 old) to the Commission for advice. 15 cases had been pending with the Commission till the close of the previous year. The Commission was able to tender its advice only in 18 cases, while the remaining 43 cases were sent back to the Govt. asking for necessary papers/particulars and 31 cases were pending till the closing of the year (i.e. 31/03/2018).

The Commission also tendered advice on framing of recruitment rules for 21 different categories of services and posts and on 03 cases regarding revision of examination rules.

During the year under report, the Commission held Half-Yearly Departmental Examination in May & November, 2017 each time for 7 different categories of officers serving under the Govt. of West Bengal. The total number of registered candidates for the Departmental Examinations was 5,023.

Despite the fact that Commission performs its function according to the rules and regulations, the Commission was impleaded as a Respondent in a number of Court cases during the period under report. The cases were defended as per the rules and regulations as well as on the strength of records relating to the case. 82 fresh litigations, 01 in the Hon'ble Supreme Court, 24 in the Hon'ble High Court, Calcutta, 56 in the Hon'ble West Bengal Administrative Tribunal and 01 in other Court were filed involving the Commission during the period under report. Out of which 82 cases, 55 cases (18 in the Hon'ble High Court, Calcutta, 36 in the Hon'ble West Bengal Administrative Tribunal and 01 in other Court) were contested by the Commission. Out of 82 cases, the no. of non contested was 27. Besides, 142 cases (including old pending cases), 04 in the Hon'ble Supreme Court, 72 in the Hon'ble High Court, Calcutta, 66 in the Hon'ble West Bengal Administrative Tribunal against the Commission are pending. During the period under report, 57 cases were disposed of, out of which

12 cases were in the Hon'ble High Court, Calcutta and in 45 cases were the Hon'ble West Bengal Administrative Tribunal.

Table I intra gives previous and current year's figures on certain items of work.

OBSERVATIONS

A. Requirement of consultation with the Commission regarding promotion:

The Commission has noticed that the proviso to article 320(3)(b) is being interpreted by many Departments of the Government that consultation with the Commission is not necessary for making promotion from one post to another where the posts are (i) within the same service and (ii) not belonging to any service (i.e. the posts of West Bengal General Service). The Commission is of the view that such interpretation would not be in consonance with the spirit of the Constitution. The Patna High Court in the case of Hariprasad Vs. State(AIR 1972, Patna-4) and the Supreme Court in the case of Jammu and Kashmir Vs. Rajadulari Rajdan and others(AIR-1979-SC-586 and 587) gave the judgement in favour of consultation with the Commission in all cases of promotions. It is mentioned in this connection that the Union Public Service Commission after discussion on the point at the National Conference of the Chairmen of the State Public Service Commissions, has sought an amendment to Article 320(3)(b) in its memorandum to the National Commission set up to review the working of the Constitution so that the scope of interpreting the existing expression in the Article is obviated and the Commission is consulted in making promotions from one post to another.

The Commission expects that the State Government would consider the matter and take steps so that the Commission is consulted in making promotions from one post to another in all cases.

B. Reporting of vacancies to the Commission for various recruitment examinations:

The Commission has been experiencing difficulties in obtaining estimates of vacancies from the Departments of Government in time. In some cases much delay occurs in reporting vacancies to the Commission despite urgent requests and repeated reminders. Consequently, holding of personality tests after the written examinations in the concerned cases gets deferred and finalization of results of the examination is delayed. Often vacancies are reported long after the completion of personality tests. Such vacancies cannot be accepted for that particular examination and remain to be filled up on the results of the next examination. Needless to mention that an estimate of vacancies is necessary for the Commission to fix up the number of candidates for the personality tests and once the personality test is completed on the basis of the estimated record, further vacancies for the particular examination cannot be accepted.

The Commission feels that it may be possible for the departments of the Government to make a forecast of vacancies to occur in a year due to retirement. Additional vacancies due to resignations and/ or creation of posts can also be accommodated mostly by the time the estimate of vacancies is required for the personality test. Such procedure should be followed in the cases of annual recruitment examinations in view of the difficulties mentioned above.

An annual calendar of vacancies in the posts within the purview of the annual recruitment examinations may be prepared and maintained by the appointing authority so that an estimate of vacancies in the posts for the annual recruitment examinations could be furnished positively by the 31st March of the year of the examinations taking into account the vacancies to be available by the 31st of December of that year.

C. Disciplinary cases- Incomplete reference from Government Departments:

The Commission reiterates its earlier observation that the disciplinary cases are mostly referred to it for advice without furnishing necessary documents and particulars. Such cases are therefore required to be sent back to the departments concerned and thus it is unnecessarily delayed.
